National Tax Conference @ Pune

Special Attraction

During the National Tax Conference, AMRUT DNYAN KUMBH 2025 @ Pune, we are organizing a special visit for delegates to India's largest dome at MIT World Peace University, Pune - a marvel of architecture and spirituality.

This World Peace Dome, standing at 160 feet high with a diameter of 280 feet, is the largest of its kind globally. It houses the World Parliament of Science, Religion, and Philosophy, symbolizing the confluence of knowledge, wisdom, and peace. The dome is adorned with statues of 54 world philosophers and saints, including Mahatma Gandhi, Swami Vivekananda, and Albert Einstein, making it an ideal place for deep reflection.

A visit to this magnificent structure will not only be a visual delight but also an opportunity to connect with the philosophy of peace, wisdom, and governance, aligning with our conference's theme of 'Tax Practitioners as Catalysts in a 5-Trillion Economy and Beyond.'
