This series will deal chapter wise the entire New Income Tax Act, 2025. It shall end by 26th September, 2025. This will enable all of us understand the new ACT thoroughly and implement in future. Moreover, it will also enable us to make suitable representation before the select committee. I appreciate the efforts of Direct Tax Committee Sr. Adv. Tushar Hemani along with kind guidance of Dr. K Shivram, Past President. I sincerely solicit your active participation.

This year Team AIFTP has dreamt of revamping the AIFTP website with all new features like Real Time Updates, soft copy of Journal, Tax Clinic and much more. The committee is constantly persuing the work of website which was as old as twelve years back. The task is herculean and shall be done by the efforts of committee by mid-April. These shall lead to more knowledge updation and information sharing amongst members, which is the primary objective of AIFTP. The website after updation shall be interactive. I regret the inconvenience caused to members for some technical glitches and some legal issues for few days with the website.

I request the members to bear with us until the website is updated.

This year we have also taken the call to merge Direct Tax and Indirect Tax in AIFTP Journal whereby members practicing in both the fields shall be benefited for a single subscription. I humbly request all the members to please subscribe to AIFTP Journal for the year and enjoy the fruits of knowledge and interaction in family.

AIFTP Times is assumed to be regularly reaching to your good self-wherein all the forthcoming programs are detailed.

We have interacted with all the Zonal Chairmen and Sub-Committee Chairmen and thankful to them for their kind support. We are also thankful for sending the zonal accounts as on 31st December, 2024.
