

President's Communique

Samir S. Jani, Advocate

Dear Members, Res. Past Presidents,

Warm greetings to all esteemed members of the All India Federation of Tax Practitioners!

As we step into the festive season and the last month of the year, I am pleased to share that the process of **Zonal Elections for all five zones along with National Executive Committee of the Federation have been successfully concluded. I happy to mention that with the efforts of all zones, the National Elections were unanimous.** I take this opportunity to extend my heartfelt congratulations to all the newly elected NEC members and Zonal Office Bearers and Managing Committee Members of Zones. I also thank Election officers of all the five zones. Their dedication and willingness to serve the profession and the Federation are deeply appreciated. I am confident that their leadership will further strengthen the activities and outreach of AIFTP across the country.

The Election process represents not only the democratic ethos of our Federation but also the collective spirit that binds together over 11,000 members across 32 States and 3 Union Territories. I urge all members to actively participate in the National Election process and contribute to the continued growth and unity of our Federation.

I am delighted to inform that the **Curtain Raiser for Golden Jubilee Year Celebration was held on 8th & 9th November 2025 at Kolkata followed by the grand 28th National Convention at Bengaluru.** I congratulate the Deputy President and his team for a grand success. This event marked the beginning of our year-long celebrations commemorating 50 glorious years of AIFTP. I earnestly appeal to all our members to participate and celebrate the forthcoming year in large numbers and organize events round the year befitting the stature of our Federation.

We also had a very successful One Day Seminar at Surat (WZ) wherein for the first time in the history of Federation no registration charges were called for and we had 451 delegates from the country. The faculties were brilliant and topics selected were very lively. A virtual meeting on **“The Tribalization of Justice-need for Urgent reforms”** based apex court’s decision in the case of Madras Bar Association is scheduled on 26th December, 2025 Friday on virtual platform and flier to the effect have already been circulated in various WhatsApp groups. Thus, as committed initially, I am till last day of my tenure been organizing academic program.

As we continue our journey, let us reaffirm our commitment to the ideals of **professional excellence, ethical practice, and national integration**, which have been the cornerstone of AIFTP since its inception.

I extend my gratitude to all Past Presidents, Office Bearers, and members for their continued support and contribution to the Federation’s success. Together, let us march ahead with renewed enthusiasm and unity of purpose.

Wishing you and your families a joyous festive season filled with peace, prosperity, and happiness.

Warm regards,

Samir S. Jani
National President
