**11) DETAILS ABOUT APPLICANT IN 200 WORDS:**

I am a practicing Chartered Accountant with extensive professional exposure, having been in active practice since 2011. I hold a valid Certificate of Practice and am enrolled as a member of the Institute of Chartered Accountants of India under Membership Number 302454. Over the years, I have developed a strong multidisciplinary practice covering statutory and internal audits, direct tax planning and compliance, representation before income tax authorities, GST advisory and dispute resolution, and financial consultancy for clients across various sectors. To keep pace with the continuous developments in tax and corporate laws, I consistently participate in professional conferences, seminars, and training programs conducted by ICAI, the Bhubaneswar Chamber of Commerce, and various Bar Associations throughout the state of Odisha. These engagements have strengthened my technical foundation and broadened my understanding of contemporary regulatory and professional issues. My involvement with the All India Federation of Tax Practitioners (AIFTP) has further enriched my professional journey. Through various federation events, I have had the privilege of interacting with eminent tax professionals, experienced practitioners, academicians, and policy experts from across India. These interactions have meaningfully shaped my professional approach and enhanced the service quality delivered by me and my team. I look forward to contributing more actively to the federation's initiatives, with a commitment to fostering knowledge-sharing, strengthening professional networks, and advancing high-quality tax practice for the benefit of clients, colleagues, and the wider professional community.
