11) **DETAILS ABOUT APPLICANT IN 200 WORDS:** I am a practicing Chartered Accountant with over eighteen years of professional experience, continuously engaged in practice since 2007. I hold a valid Certificate of Practice and am an active member of the Institute of Chartered Accountants of India (ICAI), bearing Membership Number 065893. My areas of practice include statutory and internal audits, income tax advisory, assessment and appellate representation, GST compliance and litigation support, and business consultancy across various industries. To remain professionally updated, I regularly attend conferences, seminars, and workshops organized by ICAI, CII, the Bhubaneswar Chamber of Commerce, and several Bar Associations. These platforms have greatly enhanced my technical understanding and helped me stay aligned with evolving tax and regulatory frameworks. My association with the All India Federation of Tax Practitioners (AIFTP) has been particularly valuable. I had the opportunity to interact with distinguished tax experts, senior professionals, academicians, and thought leaders from different parts of the country. These interactions significantly enriched my professional perspective and improved the quality and depth of practice followed by me and my associates. Going forward, I am keen to engage more actively in the federation's activities and contribute meaningfully to knowledge sharing, professional development, and collective advancement of tax practice for the benefit of clients, peers, and the larger professional community.
